Seventh Street Development Group conducts live scientific webcast training sessions throughout the year in solid-state pharmaceuticals and pharmaceutical development and we are currently looking for sponsors.

We have a history of successful webcasts, including over 20 webcasts in the past two years. All aspects of the webcast are performed by us from marketing and slide production to presentation. We use *GoToWebinar* which is the industry standard for live webcasts. So we do the work while your name gets circulated in the right pharmaceutical circles.

Case Studies: What Happens When My Solid Form Changes?

Sponsored by XYZ Company

Join us for a Webinar on March 30

REGISTER NOW

Space is limited.
Reserve your Webinar seat now at:
<https://www2.gotomeeting.com/register/187553450>

A one hour webcast with case studies to show how a solid form change can impact development.

Title: Case Studies: What Happens When My Solid Form Changes?
Date: Wednesday, March 30, 2011
Time: 9:00 AM - 10:00 AM EDT

After registering you will receive a confirmation email containing information about joining the Webinar.

By sponsoring a webcast your company will:

- Be prominently displayed on all marketing material (website promotion, email campaigns, Linked in discussion groups and events, etc)
- Be given a copy of the details (sign-up link, etc) and email invitation that you can use for promotion
- Have a link to your company website on the Seventh Street Development Group website
- Be featured on the reminder and follow-up emails to all participants (sent to all participants a week before, the day before, and an hour before the webcast and after the webcast)
- Be mentioned at the beginning and end of the webcast with company name prominently displayed on initial and ending slide during the presentation and on the electronic slides provided to the participants
- Gain exposure to thousands of pharmaceutical scientists through marketing campaigns using Linked In and Google

A copy of the slides will be available to all participants and a recording is accessible for a period of seven days to all who sign up for the webcast.
